EXPLANATORY NOTE

(This note is not part of the Order)

Part 3 (paragraphs 7 to 9) of Schedule 9 to the Traffic Management Act 2004 provides for the setting by enforcement authorities outside Greater London of the levels of charges under Part 6 of that Act (civil enforcement of traffic contraventions) and requires those levels to accord with guidelines given by the appropriate national authority, except where that authority permits an enforcement authority to depart from the guidelines.

By this Order the Secretary of State for Transport, as appropriate national authority for England, gives to English enforcement authorities outside Greater London the guidelines on charges for parking contraventions set out in the *Schedule*. The guidelines govern the setting of charges which will apply from 31st March 2008.
